INECE-OECD Expert Workshop on
Environmental Compliance and
Enforcement Indicators

November 3-4, 2003

Paris, France

Our Challenge

How do we build upon this very informative workshop to develop relevant and meaningful pilot projects?

Suggestions for Next Steps

- Agreeing on Common Definitions, including Logic Model and Capturing Good Practices
- Developing Guiding Principles
 - Draft in parallel with pilots
 - Review in regions
 - Revise, in light of experience
- Identifying Pilot Projects
- Adjusting Guidelines and Pilot Project
